Smithsonian National Air & Space Museum Trophy	September	Nominations must be submitted to LaRC Office of Human Capital Management (OHCM) (requires Center Director approval) before submission to the sponsor.	Smithsonian Institute	Contact NSSC for more information	Since 1985 the Smithsonian National Air and Space Museum has presented an award, the National Air and Space Museum Trophy, to recognize extraordinary accomplishments in aerospace. The Award has grown in stature over the years, and it is now recognized as one of the most prestigious aerospace honors. The award has been given annually, except in 2003 when the opening of the Udvar-Hazy Center and the celebration of the Wright centennial took center stage. Since 2004 it is presented at a black-tie event at the Museum in early spring. Nominations are due to the NSSC by 3/31.	
Virginia's Outstanding Scientist of the Year Award	September	Nominations must be submitted to LaRC Office of Human Capital Management (OHCM) (requires Center Director approval) before submission to the sponsor.	Office of Governor, Commonwealth of Virginia	http://www.smv.org/governance.html	The award to the Virginia Scientist of the Year is made to a living person in any field of the sciences, including mathematics, technology and the physical, biological or health sciences. Scientists whose work cannot be published for security reasons may also be nominated.	An individual may not receive more than one award in his or her lifetime. Candidates may be renominated once. Nomination packets will be held for one year for resubmission, but a nomination form must be completed for the current nominating year. Third nominations must be treated as a new nomination, and a complete package must be submitted.
Federal Engineer of the Year Award	October	Nominations must be submitted to LaRC Office of Human Capital Management (OHCM) (requires Center Director approval) before submission to the sponsor.	National Society for Professional Engineers	http://www.nspe.org/InterestGroups/PEG/Resources/AwardsAndScholarships/feva.html	Sponsored by the Professional Engineers in Government, this honor is to be awarded to an engineer employed by a federal agency that employs at least 50 engineers worldwide. Candidates are nominated by their employing federal agency	All nominations must be typed on the official form and submitted electronically by OHCM to NSPE at peg@nspe.org by October 31.
